

The background of the poster is a dark grey/black color with various scientific illustrations. In the top left, there is a blue DNA double helix. In the bottom left, there is a blue clipboard with a white sheet of paper and a green arrow pointing right. In the bottom center, there is a cartoon scientist with white hair, glasses, and a white lab coat, holding a blue clipboard. To the right of the scientist is a large green microscope. In the bottom right, there is a blue bar graph with three bars of increasing height. The text is contained within light blue and light cyan shapes that look like torn paper.

# STEM

## Summer Camps
